

The *1953*

CORRAL

ODESSA SENIOR HIGH SCHOOL
ODESSA, TEXAS

FOREWORD

Through the years, time has developed O. H. S. into an idealistic and scholastic institution of learning. Throughout the lives of its graduates, it will be time that will bring them nearer to the success they will strive to achieve. As time ages the multitudes that leave these halls, they will need some means of looking into the past for fond memories of high school days. This 1953 CORRAL presents to you the greatest aid in remembering all of the joys and happiness this year holds.

TABLE OF CONTENTS

ONE STEP AT A TIME

—Anonymous

*One step at a time, and that well placed,
We reach the grandest height;
One stroke at a time, earth's hidden stores
Will slowly come to light;
One seed at a time, and the forest grows;
One drop at a time, and the river flows
Into the boundless sea.*

*One word at a time, and the greatest book
Is written and is read;
One stone at a time, and a palace rears
Aloft its stately head;
One blow at a time, and the tree's cleft trough,
And a city will stand where the forest grew
A few short years before.*

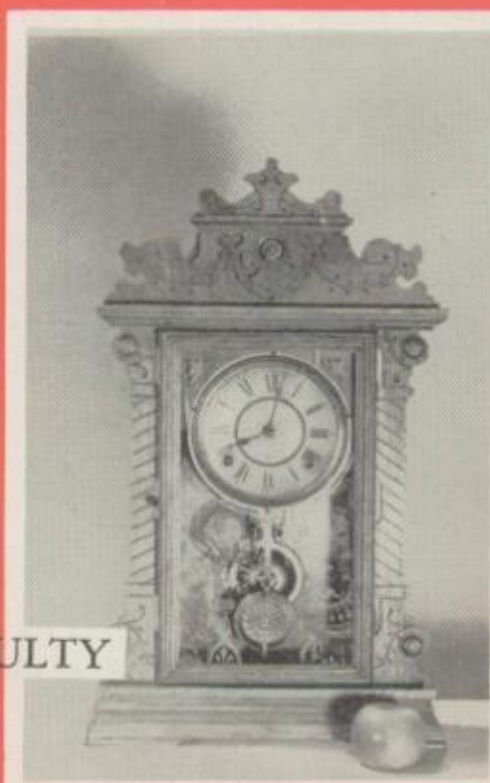

*One foe at a time, and he subdued,
And the conflict will be won;
One grain at a time, and the sands of life
Will slowly all be run;
One minute, another, the hours thus fly,
One day at a time, and our lives speed by
Into eternity!*

*One grain of knowledge, and that well stored,
Another and more on them;
As time rolls on your mind will shine
With many a garnered gem
Of thought and wisdom. And time will tell
"One thing at a time, and that done well,"
Is wisdom's proven rule.*

February 14, 1953

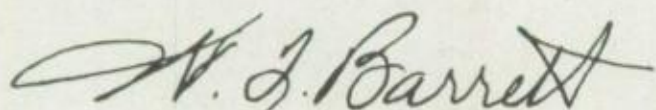

Dear Students:

You the youth of today, in your approaching adulthood, face one of the greatest challenges and perhaps one of the most difficult problems that youth or adults has ever faced. This problem relates directly to the apparent inability of man to live harmoniously with his fellow man.

Study and advancement in the field of human relations has not kept stride with the tremendous advancements in science and technology. In fact, we as a people were catapulted into an era of spectacular scientific and technological developments for which we were completely unprepared psychologically. We therefore, have been unable in such a short time to grasp the full significance of these developments and to readjust socially to these rapidly changing conditions.

I am confident that you as individuals and as a group realize the full significance of this problem and will ultimately find the solution and thereby pave the way for those who are to follow. Congratulations on your past performances and best wishes for the future.

Sincerely yours,

W. T. Barrett

SCHOOL SONG

*Hail, Odessa High School!
Hats off to you.
Ever you'll find us . . .
Loyal and true.
Firm and undaunted
Always we'll be.
Hail to the school we love . . .
Here's a toast to thee.*

FIGHT SONG

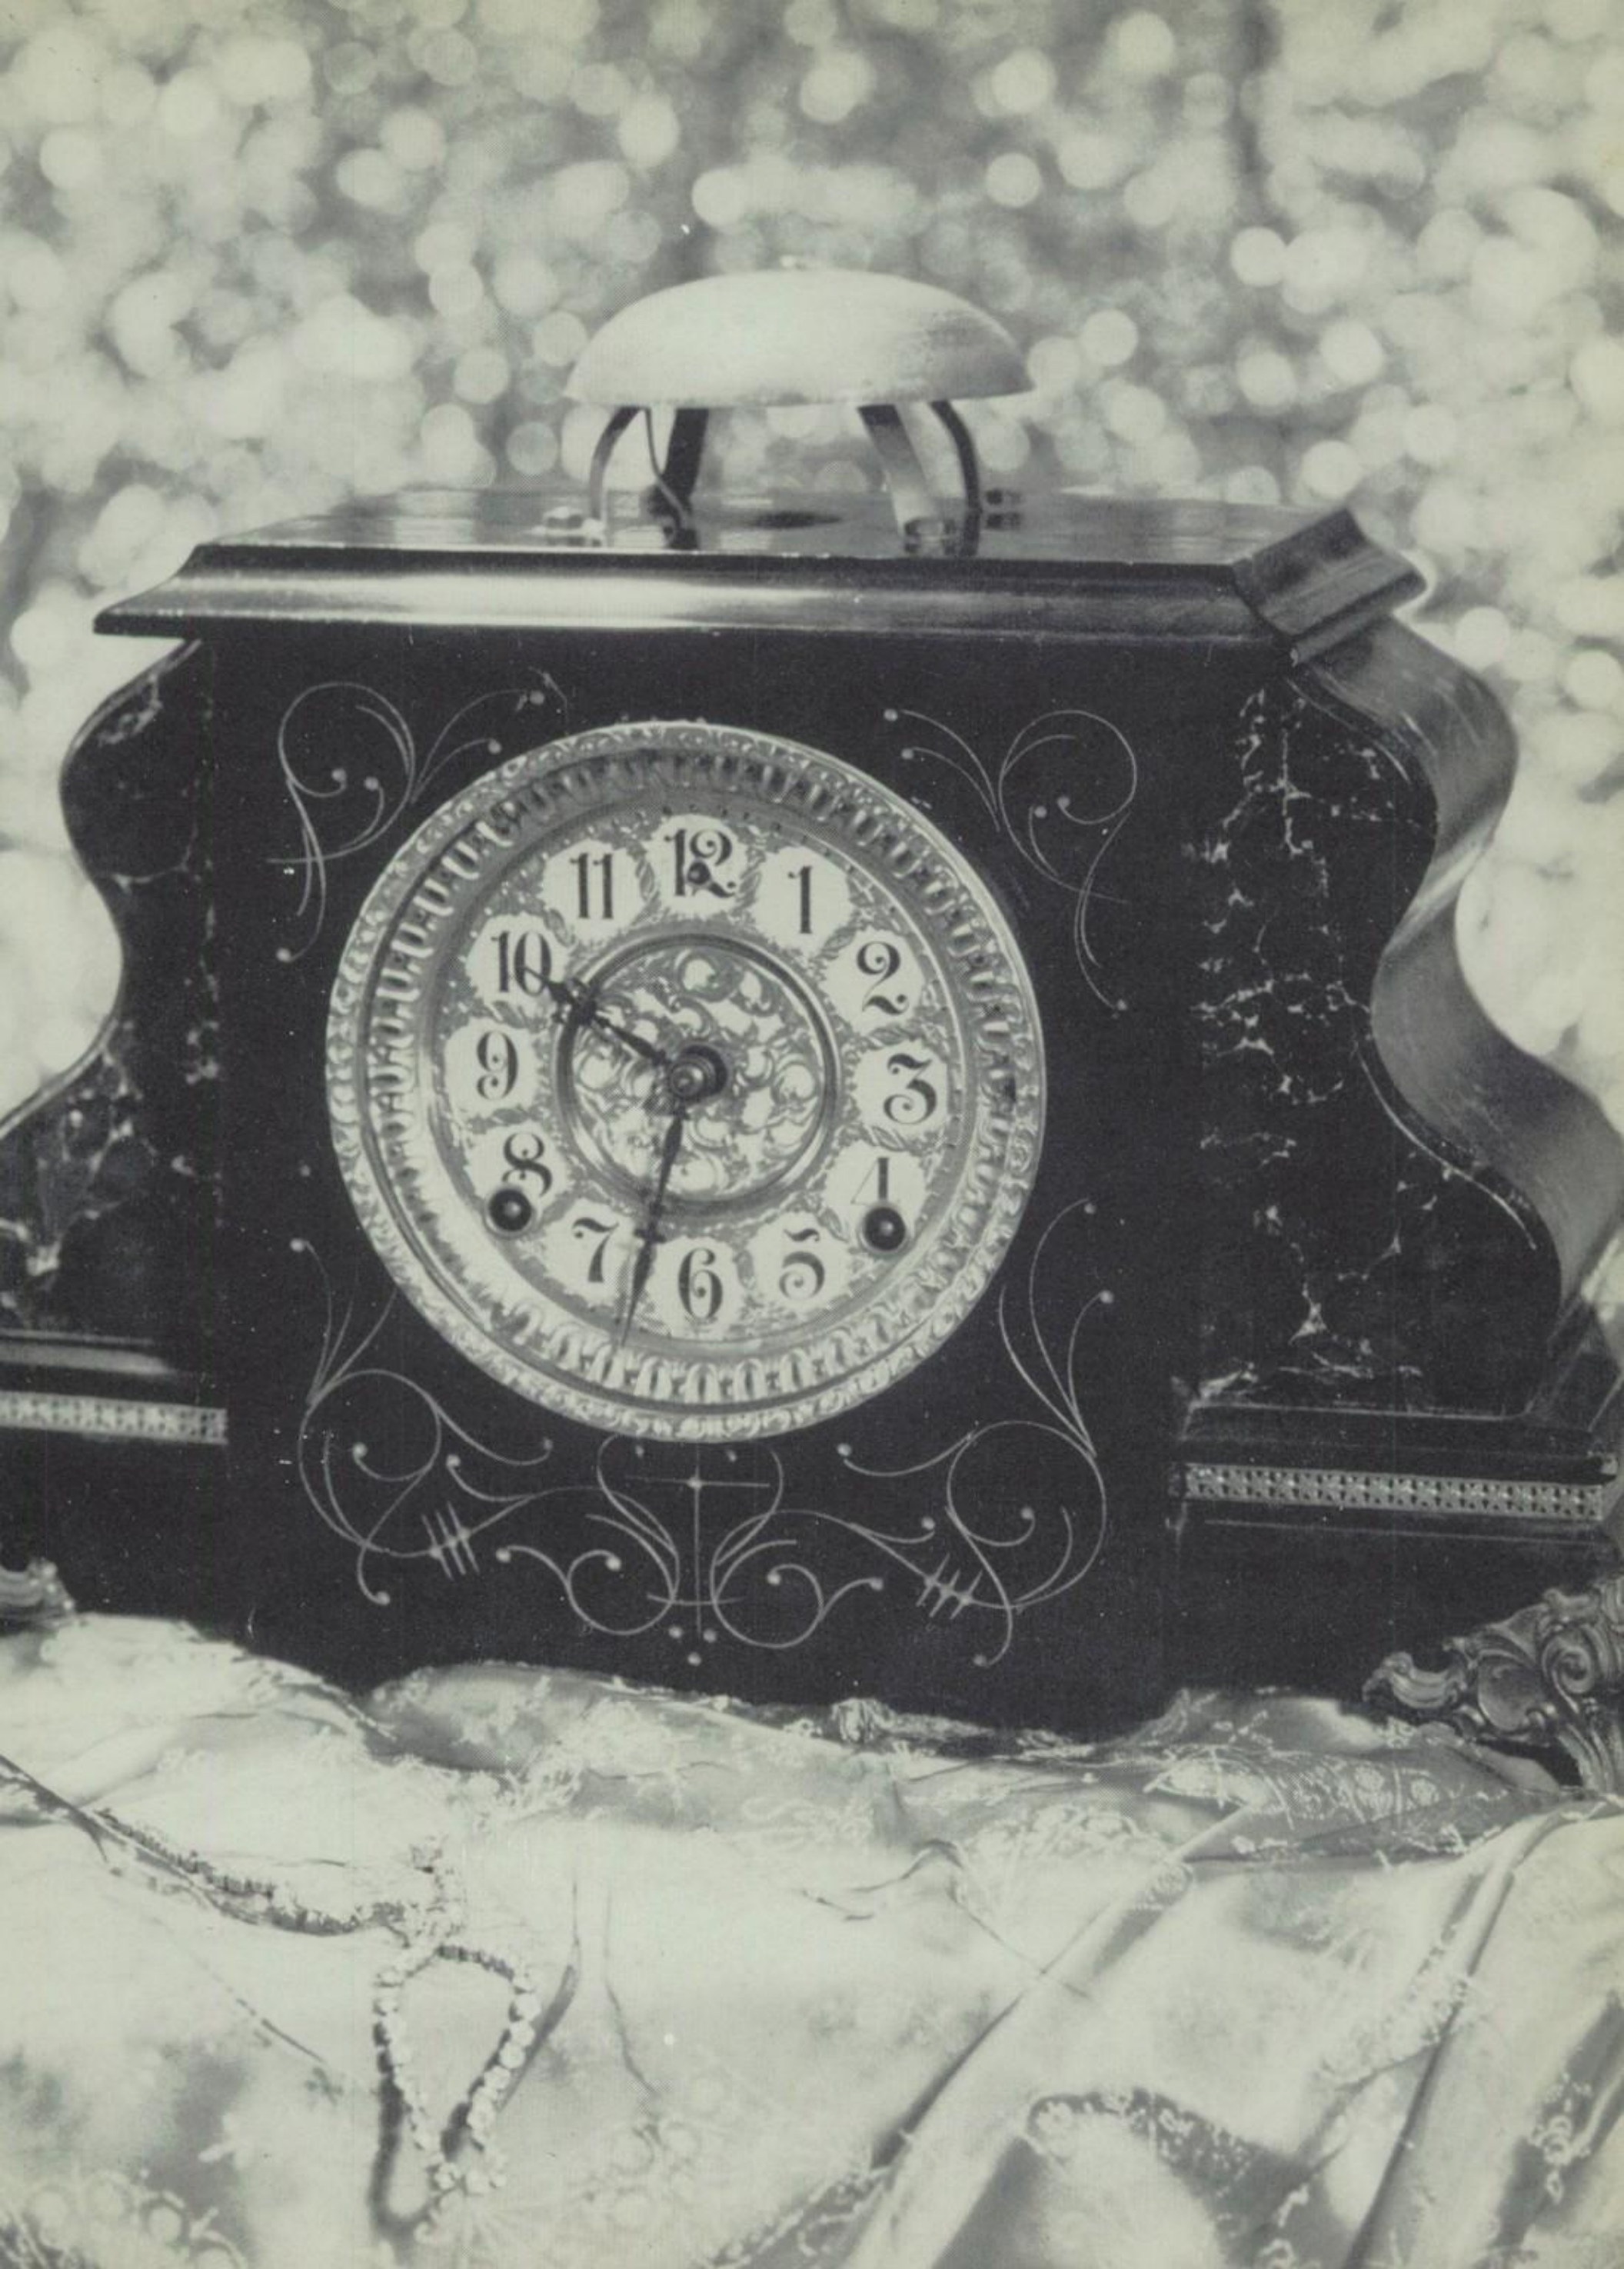

*Let's win this game.
Go on, ye Bronchos, go
Never to yield
The victory to the foe,
On to the goal,
A gain on every play.
Let's fight, team! Fight, team!
Win this game the same old way.
Let's win this game—
Let's win this game—
Let's win this game.
On, Bronchos! On, Bronchos!
On, Bronchos, on, Bronchos! On—
Hey!*

FEATURES

*One minute, another, the hours thus fly;
One day at a time, and our lives speed by
Into eternity!*
